The Revenue officials' enquiries reveal that there is non in the family of the late forester or his widow who is in a position to give any financial assistance to the widow or her children.

5. From the statement of the widow and the enquiries of the Revenue officials it is revealed that the Forester did not leave any property either in his own name or in the name of his family. He has left only a few cooking utensils and furniture worth about Rs.100/ The enquiries further reveal that the widow has not inherited any movable or immovable properties from her parents. The deceased had incurred a debt of about Rs.300/- by borrowing from his friends etc before his death and the burden of clearing it also has fallen on his widow.

6. The forester had not insured his life. He was subscriber to the General Provident Fund as per account No. 2427 For. The balance at his credit on death was Rs.260/- and it has been paid to the widow as she was his nominee.

Sir,

Sub:- Humble representation of Leena Damayanthi Josudasan, Widow of late John Josudasan, Forester, Mangalore Depot.

My late husband John Josudasan was employed as Forester in the Madras Forest Department for the past about 28 years. He served in several places, and most of his service was in unhealthy localities like Anamalai, Jatkal, Nilambur etc., and in consequence fell a victim to Malaria. While in service he had to spend large sums of money for Malarial treatment. Lately on account of Asthma and Malaria attacks he became very weak and for the last 5 years of his duty he was under medical treatment.

While still on duty he died on the 4th December, 1952. I understand that he had obtained loan from his Provident Fund for medical expenses and that the balance of amount now at credit of the Fund is a paltry sum of about Rs. 285/- Besides the above he left neither property nor any investments for his family.

At the time of his death no cash was left behind and I had to borrow from neighbours about Rs.300/- for funeral expenses, medical bills and for shifting household articles. There are other minor outstanding loans to the extent of Rs.250/-

The deceased is survived by myself and 5 sons. The eldest is employed at Calicut on Rs. 70/- per mensem which is hardly sufficient for his maintenance. The second son aged 19 years is in Bombay in search of employment. The 3 others aged 17,15 and 12 are studying. Such being the case I am utterly helpless.

P.T.O.

I therefore pray that on a kind consideration of the above facts, and the long years of the deceased's service. who did not live to enjoy his pension, you will be graciously pleased to grant me adequate Compassionate gratuity and such other relief as the Government may under the circumstances deem necessary.

For which act of kindness and charity I and my family shall ever remain grateful.

I beg to remain,

Sir,

Yours faithfully,

Seeya Lampyan V. Jeendalan

The widow of the deceased with the last three sons are now residing

TAHSILDAR 31 JAN 1953 MANGALORE

Kozhikode is a married woman, and the family is depending on Sri William Sydney Jesudasan who is drawing a salary of Rs. 70/- p.m. as draftsman. My enquiries reveals that there are none else in the family of the deceased as well as the widow's who are in a position to give any financial help to this unfortunate family.

3 The deceased has no daughters. The widow of the deceased states ~~My enquiries reveals~~ that the family of the deceased has no landed properties, which I am unable to say whether it is ~~a divided~~ so or not as the deceased as well as the widow are natives of Kozhikode. It is also not known whether it is a divided or undivided family.

4. My enquiries reveals that the deceased has not left any immovable properties in this Dh. She has left some movables like cooking utensils and furnitures worth about Rs. 100/-. Though the widow belongs to Kozhikode (Malabar Dh.), my enquiries reveals that she has not inherited any movable or immovable properties from her parents. It is learned that, this may be got verified through the Corresponding authorities in Malabar Dh.

My enquiry reveals that the deceased had incurred a debt of Rs. 300/- during his death-bed. The amounts were borrowed from friends and neighbours for which no documentary proof is available. The widow states that she is now not in a position to repay the above debts as she is penniless.

5. My enquiry reveals that the deceased had not insured his life. The widow of the deceased states that the gratuity & other amounts may be paid at the Dy. Treasury.

6. In my opinion this is a fit case where the maximum amount of gratuity should be paid to the widow.

7. The legal heirs of the deceased who are entitled to receive the arrears pay and allowances are the widow of the deceased and their names referred to in para 2 of my report above each of whom are minors.

2. Revenue Inspector's report states that the legal heirs of the deceased entitled to receive the Compassionate gratuity, arrear pay and allowances are the widow of the deceased and her five sons - So the descriptive rolls of all the six members of the family are required for submission to the Conservator of Forests. As it is, there is only one copy of the descriptive roll of the widow of the deceased. Please therefore submit the descriptive Roll of the remaining five persons.

3. Further, it is seen that three of the sons, who are also legal heirs of the deceased are minors - The shares of the minors will have to be deposited in Govt. account or Guardianship certificate will have to be got on their behalf -

4. The above difficulties could have been avoided if the widow of the deceased is taken as legal heir of the deceased on behalf of her sons - etc. This is possible only if all the sons are living with her and under her care. Please go through this question once again & whether it is not possible to declare the widow of the deceased as the legal heir entitled to receive the Compassionate gratuity & arrear pay etc - The reference may be treated as specially
